Residential area and openspace. (Kirkwood)	Foreground - open space within residential area looking out over cemetery. Vehicles travelling along Viewfield Road will be visible.	New motorway route runs parallel to existing A8, but within cutting. Extensive earthworks and associated works will be visible running left to right (mid-distance) beyond existing A8. Visual envelope towards works is limited by existing mature roadside planting within the cemetery. Overbridge and accommodation route Bankhead Farm left of view partially visible.										3STANTIAL E	SHT DERATE	GHANGE	3STANTIAL DERATE	
CLASSIFICATION OF RECEPTOR	Mid-Distance - partial views of cemetery and A8 road within valley floor. Screened by existing	OPERATIONAL STAGE								a beneficial effect on ov	verall quality.	ENE			;
