Morrison Construction

Dear Neighbour,

### **Construction of Temporary Slip Road and associated works**

We are writing to provide you with notice of planned works associated with the Forth Replacement Crossing (FRC).

FCBC, the Principal Contractor working on the FRC on behalf of Transport Scotland will soon be carrying out nightshift works to provide a temporary slip road between the B980 Castlandhill Road and the north bound carriageway of the A90. These works are required to enable other permanent works to replace the existing slip road. The location of the works is at the existing (emergency) link between Castlandhill Road and the A90, approximately 200 metres to the south of Dunfermline Wynd (as shown on the sketch overleaf).

The extent of the white lining works and sign installation will take place between the Northbound Off Slip at Ferrytoll and the Northbound Off Slip at Admiralty on the Northbound A90 and between Castlandhill Roundabout and Dunfermline Wynd on Castlandhill Road.

The works are programmed to be carried out on the evening & nights of Friday 17<sup>th</sup>, Saturday 18<sup>th</sup> & Sunday 19<sup>th</sup> of January 2014. The works will be conducted in the following sequential manner; excavation and infill (1<sup>st</sup> night), surfacing, road tie-in works and line marking (2<sup>nd</sup> night), line marking and signage erection (3<sup>rd</sup> night). Works will commence at 8pm nightly and will be continuous through to 6am the following morning.

The plant involved will include excavator, vibrating roller, dumper, delivery wagons, road planer, road paver, white lining equipment, in addition to works vans, generators and temporary floodlighting.

Should we encounter unforeseen circumstances, the time allotted in the programme may require to be extended beyond these dates.

We would like to take this opportunity to apologise for any inconvenience our activities may cause.

**For up to date information on the project please see Transport Scotland's FRC project website [www.forthreplacementcrossing.info](http://www.forthreplacementcrossing.info).**

**Should you have any queries, please contact our email [enquiries@forthreplacementcrossing.info](mailto:enquiries@forthreplacementcrossing.info) or our Hotline on 0800 078 6910.**

**In addition, our Contact and Education Centre, located adjacent to the Forth Road Bridge offices on the south side of the existing Forth Road Bridge is manned 09:00hrs to 17:00hrs, Monday to Thursdays, 09:00hrs to 16:00hrs on Fridays and 10:00hrs to 16:00hrs on Saturdays to deal with enquiries and to supply information.**

Issued to – Residents in the vicinity of the works described in Inverkeithing and members of the North Community Forum.

Issue date – Friday 10th January 2014
