

DRAGADOS | AMERICAN BRIDGE INTERNATIONAL  
HOCHTIEF | MORRISON CONSTRUCTION

Dear Neighbour,

We are writing to provide you with an update of planned works on the Forth Replacement Crossing (FRC).

For engineering/quality and safety reasons, we are required under our contract to carry out echelon paving of the surface course on the new mainline carriageway from the B800 bridge to the south approach abutment in order to minimise the number of construction joints. This requires a continuous supply of asphalt from our suppliers and in order to guarantee this supply we have sought and have been granted permission by Transport Scotland to carry out this work on Sundays from 31st July through to 4th September 2016. This work is weather dependant and it is our expectation that we will only require to work on a maximum of three out of the six Sundays requested.

The hours of work will be 09:00 to 18:00 with a half hour start up from 08:30. There will be no plant movement on site prior to 09:00.

The plant we will be using will include paving machines, road tippers, rollers and small loaders.

Access/egress will be via the A90 as far as possible in order to minimise impact along the A904.

We would like to take this opportunity to apologise for any inconvenience our activities may cause and also to thank you for your patience and consideration to date.

**For up to date information on the project please see Transport Scotland's FRC project website [www.forthreplacementcrossing.info](http://www.forthreplacementcrossing.info). Should you have any queries, please contact our email [enquiries@forthreplacementcrossing.info](mailto:enquiries@forthreplacementcrossing.info) or our Hotline on 0800 078 6910.**

**In addition, our Contact and Education Centre (CEC), located adjacent to the Forth Road Bridge offices on the south side of the existing Forth Road Bridge, is manned 09:00hrs to 17:00hrs Monday to Thursday, 09:00hrs to 16:00hrs on Fridays and 10:00hrs to 16:00hrs on Saturdays to deal with enquiries and to supply information. Also, access to the Exhibition room in the building is available at certain times.**

**For confirmation of all CEC opening times please check the project website.**

Issued to - Residents adjacent to the works in Linn Mill, Clufflat, Springfield, Echline, Dundas Home Farm and Scotstoun.

Issue date - Thursday 14<sup>th</sup> July 2016.
