Refer to Schedule 2: New Works Requirements Part 2 Specific Requirements Section 4: Environment, Landscape and Ecology.

Specification Details Refer to Schedule 4: O&M Works Requirements Part 5 Specification.

Spacing for Shrub/Scrub Species Shrub/Scrub species to be planted in random single species groups of 10 - 25 no. with spacing varied between 1.5 and 2.5m centres.

Spacing for Semi-Natural Woodland, Screening Woodland and Wet Woodland Species Semi-Natural Woodland, Screening Woodland and Wet Woodland Species to be planted in random, single species groups of 8 - 16 no. with spacing varied between 1.5m and 2.5m centres. With woodland groups, irregular. "Clearings" are to be created in the layout to replicate a "natural" appearance. Woodland boundary edges to be irregularly indented. (See Typical Planting Density Grid / Typical Woodland Planting Area detail).

Hedgerows
Hedgerow Planting mixes @ 7per linear metre, staggered row. See the Employers Requirements for details. See Drg No. M8/C/3000/056.

Allow habitat to naturally regenerate through long term management. See Drg Nos. M8/C/3000/054-055.

Grass Verge Mix 25 grms per m2. Rough Grassland Mix 5 grms per m2. Flowering Rough Grassland and Wet Flowering Rough Grassland seed mixes 4 grms per m2.

Woodland Mixture sown at 4grms m2 and Tussock Mixture sown at 4grms per m2.

Hedgerow/Roadside & Ornamental Trees Specification For the sizes and specification of specimen, rootballed/bareroot trees see Planting Schedule.

Ornamental Planting and Bulbs Bulbs planted at 16m2 and randomly distributed throughout the planting area. For the sizes and specification of Ornamental

Shrub planting see Planting Schedule.

Rabbit / Vermin Protection All trees (feathered and specimen) and shrubs will be supplied with appropriate shelters/guards.

All hedges will be supplied with appropriate shelters/guards. See the Specific Requirements for details.

Refer to Schedule 4: O&M Works Requirements Part 2: Routine Maintenance and Section 8: Landscape Maintenance.

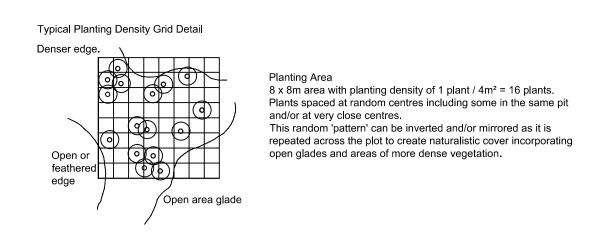

Planting Stock Abbreviations

B - Bare root C - Container

RB - Rootball

CG - Cell Grown BB - Bare root bagged
