## SCOTTISH MINISTERS' REQUIREMENTS

### SCHEDULE 9 PART 3

#### SPECIFICATION FOR OPERATIONS (3)

Standard Drawings supplied to each Tenderer

| LIST OF DRAWINGS IN THIS ANNEX |                                                                               |
|--------------------------------|-------------------------------------------------------------------------------|
| Drawing No.                    | Title                                                                         |
| 400/15/001                     | Pedestrian Guard Rail Type G1                                                 |
| 500/01/337-379                 | Drainage and Service Ducts – Duct Groups D1 - D4                              |
| 500/05/160-166                 | Drainage and Service Ducts – Drawpits DP1- DP2                                |
| 500/05/169-178                 | Drainage and Service Ducts – Gully Types G1- G4                               |
| 500/06/001                     | Headwall Type 1 – Brickwork                                                   |
| 500/06/010                     | Headwall Type 1 – Mass Concrete                                               |
| 500/06/019                     | Headwall Type 3 – Reinforced Concrete                                         |
| 500/16/001-012                 | Protection of Public Utility Apparatus and Drainage – Protection Type P1 – P4 |
| 1100/01/001-019                | Kerb Types K1 to K4                                                           |
| 1100/01/025-037                | Kerb Types K5 to K7                                                           |
| 1100/01/040                    | Kerb Types K8 and K9                                                          |
| 1100/01/043                    | Kerb Types K10 and K11                                                        |
| 1100/01/046                    | Kerb Types K12 and K13                                                        |
| 1100/01/052                    | Kerb Types K16 and K17                                                        |
| 1100/01/061-082                | Kerb Types K20 to K24                                                         |
| 1100/01/085-115                | Channel Types C1-C6                                                           |
| 1100/01/118                    | Edging Type E1                                                                |
| 1100/01/136-139                | Kerb Type Quadrants Q1 and Q2                                                 |
| 1100/02/124-127                | Combined Kerb and Drainage System Types DK1 and DK2                           |
| 1100/02/130                    | Combined Kerb and Drainage System Types DK3                                   |
| 1100/02/133                    | Combined Kerb and Drainage System Outfall Types DK4                           |
| 1100/05/001-010                | Footways, Footpaths, Paved Areas and Cycleways Types F1 to F4                 |
| 1100/05/013-016                | Footways, Footpaths, Paved Areas and Cycleways Types F5 and F6                |
| 1100/05/019-028                | Footways, Footpaths, Paved Areas and Cycleways Types F7 to F10                |

| <b>LIST OF DRAWINGS IN THIS ANNEX</b> |                                                                 |
