

This topographic map shows the area around the intersection of Highway 101 and Highway 102. The map includes contour lines, building footprints, and existing roadways. Two proposed road improvements are highlighted in red: a section of Highway 101 running north-south and a section of Highway 102 running east-west. Two 'CUT LINE' labels with arrows point to the proposed improvements. A 'CHAIN LINK FENCE' symbol is located near the intersection. The map also shows various other roads, including Highway 101, Highway 102, and Highway 103.
