Dear Mr Maxwell

**A96 THREAPLAND JUNCTION IMPROVEMENTS
CONSULTATION WITH NON STATUTORY ORGANISATIONS**

I refer to your letter of 12 September requesting comments on the current recommended scheme and apologise for the delay in responding.

As this scheme lies within the area of the Regional Transport Partnership for Highlands & Islands (HITRANS), I would consider it more appropriate for them to respond with any information they may hold and comments regarding the current recommended scheme.

Yours sincerely

Jennifer Anderson
Transport Executive (Programmes)
