Hi Fraser,

Apologies for not replying earlier.

The Forestry Commission has "no comment" on these proposals, as they do not affect land currently under trees.

Thank you for passing all of these plans to us.

I wish you well with these proposed improvements, they will, in my view, make this section of road much safer.

Regards

Brian

Brian

Many thanks for getting in touch, and apologies for the oversight in not including the plan. It is now attached. Please feel free to get in touch if you have any further queries. I look forward to hearing from you in due course.

Regards,

Fraser
