Dear Neighbour,

We are writing to provide you with an update of planned works on the Forth Replacement Crossing (FRC).

The work involves carrying out concrete pours on the Approach Viaduct South deck above Society Road in the vicinity of Port Edgar Barracks.

The planned dates for the concrete pours are:-

Northbound carriageway – 11th April 2016

Southbound carriageway – 20th April 2016

Both pours will require off peak (between 9.30am and 3.30pm), short duration, stop and go traffic control to allow the pouring of the deck for the section directly above Society Road. Staff at road level will be in contact with the squad operating on the deck who will be able to advise when it is safe to pass below. It is unlikely that traffic delays will be any more than a few minutes and we would anticipate the maximum possible delay to be under 10 minutes.

The programme times indicated can be influenced by many factors and may change without warning near or during the time of execution. Also, the overall duration of each element may require to be extended to achieve completion should unforeseen circumstances be encountered.

For up to date information on the project please see Transport Scotland's FRC project website www.forthreplacementcrossing.info. Should you have any queries, please contact our email enquiries@forthreplacementcrossing.info or our Hotline on 0800 078 6910.

In addition, our Contact and Education Centre (CEC), located adjacent to the Forth Road Bridge offices on the south side of the existing Forth Road Bridge, is manned 09:00hrs to 17:00hrs Monday to Thursday, 09:00hrs to 16:00hrs on Fridays and 10:00hrs to 16:00hrs on Saturdays to deal with enquiries and to supply information.

Also, access to the Exhibition room in the building is available at certain times.

For confirmation of all CEC opening times please check the project website.

Issued to –Neighbours adjacent to the works in Linn Mill and Hopetoun Estate.

Issue date –Thursday 24th March 2016
