Dear Sir/Madam,

Living in the North of Scotland, near Inverness, I would like to press for :-

1. Top priority : dualling of existing line to Perth, to reduce Inv/Edin train times.
2. Better rolling stock. The existing DMUs are not designed for long-distance travel -- the 125 is the only good train we get.
3. Retention of existing through train to London, expansion to 2 X daily if possible.
4. Plan for electrification beyond 2014
5. Retain all existing services North and West of Inverness.

Thank you .

Gordon Brown, 6 Bellfield Road, North Kessock, Inverness, IV1 3XU. tel. 01463 731412
