Dear Sir,

Rail 2014 Public Consultation

I am writing to express my strong view that cross border rail services should not terminate at Edinburgh. I consider it vitally important that there are direct cross border services from northerly locations such as Dundee, Aberdeen and Inverness.

These services have significant social benefit but are also very important commercially. I also doubt that Waverley has the necessary infrastructure to deal with the inevitable level of transit passengers.

Yours sincerely

Menzies Campbell

Data Protection Information

Menzies Campbell MP will treat as confidential personal information which you pass to him. Sir Menzies will normally allow his staff and volunteers to see this information so that they can find help and advice for you. In some cases Sir Menzies may need to give all or some of this information to agencies such as Fife Council, the Child Support Agency or the Department for Work & Pensions in order to obtain further information about your case. Should it be deemed useful to involve the media your express permission will be sought before any details are given out.
