Dear Neighbour,

We refer to our previous Flyer Ref F23 regarding the proposed plant crossing to the east of Linn Mill Bridge on Society Road.

We have recently held further discussions with City of Edinburgh Council; Lothian and Borders Police; West Lothian Council; and Transport Scotland. **In the interests of minimising any potential delays to users of Society Road, we now propose to trial the use of Stop/Go boards to control the plant crossing. This will involve an operative controlling when site vehicles will be permitted to cross, which will occur only when there is a clear gap in the Society Road traffic.**

Signs will be erected on Society Road to inform drivers of the plant crossing ahead.

The performance of this layout will be monitored and if we consider it necessary, the temporary traffic light proposal described in Flyer Ref F23 will be implemented.

We now propose to start using the crossing from week commencing 26th November 2012 and it shall be used intermittently throughout the construction phase of the project.

The works as described above are an essential part of the overall Forth Replacement Crossing project, which is necessary due to concerns over the long term viability of the existing road bridge. The new crossing will maintain a vital link in the east of Scotland road network which is key to the wider Scottish economy.

We would like to take this opportunity to apologise, in advance, for any inconvenience our activities may cause and also to thank you for your patience and consideration to date.

For up to date information on the project please see Transport Scotland's FRC project website www.forthreplacementcrossing.info.

Should you have any queries, please contact our email enquiries@forthreplacementcrossing.info or our Hotline on 0800 078 6910.

In addition, our temporary Contact and Education Centre, currently located in the Forth Road Bridge offices on the south side of the existing Forth Road Bridge is manned 09:00hrs to 17:30hrs, Monday to Friday, and Saturdays 10:00hrs to 16:00hrs to deal with enquiries and to supply information.

Issued to – Linn Mill, Hopetoun and Easter Society residents
Issue date –Monday 19th November 2012
