Dear Neighbour,

We are writing to provide you with notice of planned works associated with the Forth Replacement Crossing (FRC).

FCBC, the Principal Contractor working on the FRC on behalf of Transport Scotland will be installing sheet piles in the location of the south abutment of the new B800 bridge, close to the Dundas Home Farm Road junction with the B800, on either side of the existing B800. The work is planned to start during week commencing Monday 17th February 2014. The work will be carried out during the day and is estimated to take up to four weeks to complete. If unforeseen ground conditions are encountered the programme could be extended beyond the dates indicated.

Working hours will be between 8am and 7pm Monday to Friday and 8.30am to 6pm on Saturday, with half an hour gear up time at the start of each shift.

The method of installation will generally be by vibration which will not have a significant impact on nearby residences. Depending on ground conditions encountered there may be a requirement to drive some piles and this will be audible, but disturbance will be kept to a minimum by adoption of best practicable means throughout with regard to noise and vibration control.

The plant involved will include two piling rigs, compressors, generators and temporary lighting, small tools and site transport.

We would like to take this opportunity to apologise for any inconvenience our activities may cause and also to thank you for your patience and consideration to date.

For up to date information on the project please see Transport Scotland's FRC project website www.forthreplacementcrossing.info. Should you have any queries, please contact our email enquiries@forthreplacementcrossing.info or our Hotline on 0800 078 6910. In addition, our Contact and Education Centre, located adjacent to the Forth Road Bridge offices on the south side of the existing Forth Road Bridge is manned 09:00hrs to 17:00hrs, Monday to Thursdays, 09:00hrs to 16:00hrs on Fridays and 10:00hrs to 16:00hrs on Saturdays to deal with enquiries and to supply information.

Issued to – Residents in the vicinity of the works described at Dundas Home Farm and Scotstoun, QDCC and BRIGS.

Issue date –Thursday 6th February 2014
