

SCHEDULE 8
ENVIRONMENTAL ASSESSMENT DOCUMENTS

The Environmental Assessment Documents shall comprise the following:

1. **Environmental Assessment Documents for Aberdeen Western Peripheral Route**
 - 1.1 Armstrong McCaul Biological Consultants 2013 AWPR Bird Control Management Plan.
 - 1.2 Jacobs Engineering UK Ltd 2007 Aberdeen Western Peripheral Route Environmental Statement.
 - 1.3 Jacobs UK Ltd 2013 Aberdeen Western Peripheral Route Schedule of Environmental Commitments.
 - 1.4 Jacobs Engineering UK Ltd 2008 Report to inform the Appropriate Assessment for the River Dee SAC.
 - 1.5 Scottish Government, Transport Directorate, November 2009 Appropriate Assessment on the Implications of the proposed Aberdeen Western Peripheral Route (AWPR) upon the River Dee Special Area of Conservation (SAC).
 - 1.6 Jacobs Engineering UK Ltd 2008 AWPR, Preliminary Windthrow Assessment Report, Final Report.
 - 1.7 Jacobs Engineering UK Ltd 2008 AWPR, Assessment of Windthrow Risk in the Parkland and Policy Woodlands of Kingcausie Estate.
 - 1.8 Jacobs Engineering UK Ltd 2009 AWPR, Species Management Plan, European Otter.
 - 1.9 Jacobs Engineering UK Ltd 2009 AWPR, Species Management Plan, Bat.
 - 1.10 Jacobs Engineering UK Ltd 2009 AWPR, Species Management Plan, European Badger.
 - 1.11 Jacobs Engineering UK Ltd 2009 AWPR, Species Management Plan, Red Squirrel.
 - 1.12 Jacobs Engineering UK Ltd 2009 AWPR, Species Management Plan, Reptiles.
 - 1.13 Jacobs Engineering UK Ltd 2009 AWPR, Species Management Plan, Water Vole.
 - 1.14 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence granted by SEPA for watercourses on the Northern Leg including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information Northern Leg – Volume 1: Application Forms and Supporting Information Document and Volume 2: Appendix Figures and Drawings (Jacobs UK Ltd 2012).
 - 1.15 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence granted by SEPA for watercourses on the Southern Leg and Fastlink including AWPR Water

Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information Southern Leg & Fastlink – Volume 1: Application Forms and Supporting Information Document Volume 2: Appendix Figures and Drawings (Jacobs UK Ltd 2012).

- 1.16 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence for Burnhead Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information – Burnhead Cutting (Jacobs UK Ltd 2012).
- 1.17 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence for C12K Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information – C12K Cutting (Jacobs UK Ltd 2012).
- 1.18 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence for C13K Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information – C13K Cutting (Jacobs UK Ltd 2012).
- 1.19 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence for Cleanhill Wood Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information – Cleanhill Wood Cutting (Jacobs UK Ltd 2012).
- 1.20 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence for Cloghill Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information - Cloghill Cutting (Jacobs UK Ltd 2012).
- 1.21 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence for Cookney Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information – Cookney Cutting (Jacobs UK Ltd 2012).
- 1.22 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence for Corsehill Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information - Corsehill Cutting (Jacobs UK Ltd 2012).
- 1.23 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence for Derbeth Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information - Derbeth Cutting (Jacobs UK Ltd 2012).

- 1.24 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence for Harehill Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information – Harehill Cutting (Jacobs UK Ltd 2012).
- 1.25 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence for Hare Moss Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information – Hare Moss Cutting – Rev 1 (Jacobs UK Ltd 2012).
- 1.26 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence for Hill of Blairs Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information – Hill of Blairs Cutting (Jacobs UK Ltd 2012).
- 1.27 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence for Hill of Megray Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information – Hill of Megray Cutting (Jacobs UK Ltd 2012).
- 1.28 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence for Kepplestone and Craibstone Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information – Kepplestone and Craibstone Cutting (Jacobs UK Ltd 2012).
- 1.29 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence for Milltimber Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information – Milltimber Cutting (Jacobs UK Ltd 2012).
- 1.30 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence for Newtonhill Overbridge Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information – Newtonhill Overbridge Cutting (Jacobs UK Ltd 2012).
- 1.31 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence for North Kingswell Junction Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information – North Kingswell Junction Cutting (Jacobs UK Ltd 2012).
- 1.32 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence Standingstones Wood Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information – Standingstones Wood Cutting (Jacobs UK Ltd 2012).

- 1.33 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence Stonehaven Junction Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information – Stonehaven Junction Cutting (Jacobs UK Ltd 2012).
- 1.34 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence Stranog Hill Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information – Stranog Hill Cutting (Jacobs UK Ltd 2012).
- 1.35 Controlled Activities (Scotland) Regulations 2011 (CAR) Licence West Overton Cutting granted by SEPA including AWPR Water Environment (Controlled Activities) (Scotland) Regulations 2011 (CAR) Supporting Information - West Overton Cutting (Jacobs UK Ltd 2012).

2. **Environmental Assessment Documents for Balmedie to Tippetty**

- 2.1 A90 Dualling Balmedie to Tippetty, Volume 1 Environmental Statement, August 2007, Grontmij and Natural Capital.
- 2.2 A90 Dualling Balmedie to Tippetty, Volume 2 Environmental Statement: Figures, August 2007, Grontmij and Natural Capital.
- 2.3 A90 Dualling Balmedie to Tippetty, Environmental Statement, Non-Technical Summary, August 2007, Grontmij and Natural Capital.
- 2.4 A90 Dualling: Balmedie to Tippetty, Appraisal of the Implications of the Proposed A90 Dualling Balmedie to Tippetty on the Ythan Estuary, Sands of Forvie and Meikle Loch Ramsar Site, Special Area of Conservation (SAC) and Special Protection Area (SPA), Information to Inform the Appropriate Assessment, Natural Capital, April 2009.
- 2.5 A90 Dualling Balmedie to Tippetty, Environmental Statement Confidential Annex (Protected Species Survey Report), August 2007, Grontmij and Natural Capital.
