

FARRANS**ROADBRIDGE**

A737 DALRY BYPASS TEMPORARY CLOSURE A737

Farrans Roadbridge Joint Venture, have been tasked by Transport Scotland with constructing the A737 Dalry Bypass. Part of this work involves the construction of the connection to the existing A737 at Birkentop.

In order to carry out this work safely and with minimum disruption to commuters and businesses using the A737, a section of the road between Highfield and the Den will be temporarily closed to all road users although local access will be maintained throughout the closure.

Signed diversions will be in place. Please see the location plan showing the diversion route.

The closure will commence on 30th July 2018 and is expected to last approximately five weeks.

Farrans Roadbridge Joint Venture would like to apologise for any inconvenience this may cause to residents and businesses in the local area.

WHEN

**30TH JULY FOR
APPROX.
FIVE WEEKS**

WHERE

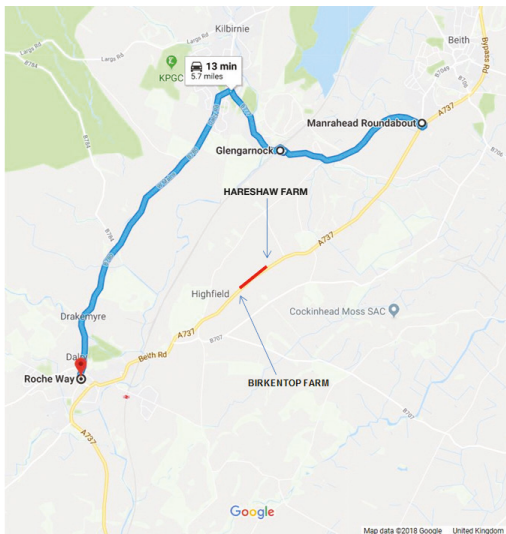

**SIGNED DIVERSION
ROUTE WILL BE IN
PLACE BETWEEN
