1 Introduction

Figure 1.1 - A9 Dualling Projects Perth to Inverness Location Plan

Figure 1.2 - Dalraddy to Slochd Proposed Scheme Location Plan

3 Alternatives Considered

Figure 3.1 - DMRB Stage 2 Options

5 The Proposed Scheme

Figure 5.1 - Environmental Designations and Constraints

Figure 5.2 - Proposed Scheme Layout

Figure 5.3 - The Proposed Scheme: Plan and Profile

Figure 5.4 - Aviemore Grade Separated Junction

Figure 5.6 - Black Mount Grade Separated Junction

Figure 5.7 - Dulnain Bridge Indicative Design

Figure 5.8 - Slochd Beag Bridge Indicative Design

Figure 5.9 - Typical Culvert Design Box Culvert General Arrangement

Figure 5.10 - Typical Retention Pond Details

8 People and Communities – Community and Private Assets

Figure 8.1 - Residential, Commercial and Community Areas

Figure 8.2 - Development Land Allocations and Planning Applications

Figure 8.3 - Agricultural, Forestry and Sporting Interest

Figure 8.4 - Land Capability for Agriculture

9 People and Communities – Effects on All Travellers

Figure 9.1 - Non-Motorised User Routes

Figure 9.2 - Impact on NMU Routes and Proposed Mitigation

Figure 9.3 - View from the Road

10 Geology, Soils and Groundwater

Figure 10.1 - Bedrock Geology

Figure 10.2 - Superficial Geology

Figure 10.3 - Geodiversity Sites

Figure 10.4 - Economic Minerals

Figure 10.5 - Soils

Figure 10.6 - Peat Probing and Mapping

Figure 10.7 - Aquifer Productivity

Figure 10.8 - Hydrogeology

Figure 10.9 - Groundwater Dependent Terrestrial Ecosystems (GWDTEs)

Figure 10.10 - Contaminated Land Constraints

11 Road Drainage and the Water Environment

Figure 11.1 - Surface Water

Figure 11.2 - Surface Water - Water Framework Directive Classified Water Bodies

Volume 3: Figures Part 2

12 Ecology and Nature Conservation

Figure 12.1a - Statutory Designated Sites within 2km

Figure 12.1b - International Designated Sites within 10km

Figure 12.2 - Ancient Woodland Inventory

Figure 12.3 - Phase 1 Habitat Map

Figure 12.4 - National Vegetation Classification Survey

Figure 12.5 - Annex 1 Habitat

Figure 12.6 - Potential Groundwater Dependent Terrestrial Ecosystems

Figure 12.7 - Scottish Biodiversity List Habitat and Aspen Locations

Figure 12.8 - Terrestrial Habitat Valuation

Figure 12.9 - CNPA Priority Species Locations

Figure 12.10 - Invertebrate Desk Study Records and Incidental Wood Ant Records
