ENGAGEMENT

We continue to update monthly via the website

PRELIMINARY OPTIONS APPRAISAL

The Preliminary Options Appraisal report is currently being finalised, with publication planned for April 2019.

DETAILED OPTIONS APPRAISAL

The Detailed Options Appraisal is ongoing. The transport model which will be used to quantitatively assess the multi-modal options has been updated. Preparation of model output for the assessment of each option against STAG criteria is underway.

STUDY COMPLETION

We anticipate completion of the study by the end of May 2019 in line with the updated planned programme.
