

**THE A77 TRUNK ROAD (MAYBOLE) (PROHIBITION OF WAITING, LOADING  
AND UNLOADING) ORDER 20[ ]**

**STATEMENT OF REASONS**

The Scottish Ministers aim to promote the safe and efficient use of the roads for which they are responsible. Due to the high volume of traffic through Maybole it is proposed to extend the existing waiting restrictions to improve road safety and the free flow of traffic on the A77 within the town.

In consideration of these interests, the Scottish Ministers are satisfied that an increase in the extents of the current waiting restrictions are appropriate for the environment in line with the function and nature of the road.
