

THE A77 TRUNK ROAD (DOONHOLM) (40MPH SPEED LIMIT) ORDER 202[]

STATEMENT OF REASONS

The Scottish Ministers are satisfied that to restrict the national speed limit to 40mph at the Doonholm Road / Corton Road junction on the A77 Glasgow – Stranraer Trunk Road will be in the interests of traffic safety.

This new lower speed limit is necessary to accommodate the introduction of a traffic signal installation at this location to assist in managing traffic movements and to reduce the incidence of road traffic accidents contributing towards the Scottish Governments casualty reduction targets.
