Franchise Agreement: Schedule 3 Priced Options
Priced Option 2 – Improved Services between Stranraer and Glasgow

This letter is a notice under the terms of Paragraph 2 of Schedule 3 (Priced Options) of the Franchise Agreement between the Scottish Ministers and Abellio ScotRail Ltd ("ScotRail") dated 7 and 18 October 2014 ("the Franchise Agreement") that "Priced Option 2 – Improved Services between Stranraer and Glasgow" is called off with effect from the date hereof. However, you will be aware that preparatory work has been underway throughout the mobilisation phase to allow ScotRail to obtain the timetable development rights required to secure a new timetable for December 2015.

Programme & Specification

The description, objective and specification for the Priced Option shall be as set out in Schedule 3 of the Franchise Agreement. However in terms of 2 (c) the timescale for exercising the option will be to allow commencement of these services for the Principal Change Date in December 2015.

Variation to Priced Option

The scope of the services to be provided was developed in consultation with Abellio during the mobilisation phase, and as such will result in a Variation to this Priced Option as per Schedule 9.1, 1.1(a)(i). The December 2015 timetable will reflect the attached timetable developed by Abellio during the mobilisation phase, increasing the frequency of direct connectivity between Stranraer and Glasgow via Kilmarnock, at no additional cost to Transport Scotland. Connection times shall continue to be as per the description in Priced Option 2.

Price

The price for exercising the Priced Option shall be as set out in the Annex to Schedule 3.

Regular progress updates on the implementation of this Priced Option are to be provided at the Timetable Management Group and Franchise Performance Meetings.
