Notes

Current Total is number of active Planning Consultations which Transport Scotland still have to respond to at date of report

Responses are recommendations by Transport Scotland to Planning Authority

Transport Scotland teams are structured as "Major Apps" (who deal with applications that require a transport assessment; generally 100+ houses or equivalent trip generation) or "Minor Apps" (no transport assessment; generally less than 100 houses or equivalent trip generation)"

The number of Pre-Applications has dropped significantly as older historical Pre-Applications which were not going to proceed have been removed
