Dear Mr Cruickshank

CONSULTATION: TRANSPORT LEGISLATION – REVIEW OF SPECIAL PARLIAMENTARY PROCEDURE PROVISION

Thank you for providing the Scottish Environment Protection Agency (SEPA) with the opportunity to comment on the above consultation document.

I write to advise you that SEPA has no comments to make on this occasion. SEPA will, however provide comments on the related consultation on proposals for a new approach to delivering public transport infrastructure developments due by 19 May.

As a public body committed to openness and transparency, SEPA feels it is appropriate that this response be placed on the public record. If you require further clarification on any aspect of this correspondence, please contact Neil Deasley, Principal Policy Officer, SEPA Corporate Office, at the address shown below.

Yours sincerely

Professor James C Curran
Head of Environmental Strategy
