

A9 Dualling

Dalraddy to Slochd project

Public Exhibitions

Public exhibitions are being held on 2 and 3 February 2016. These will give local communities and road users the opportunity to see a range of route and junction options for the Dalraddy to Slochd dualling project - part of the A9 Dualling Programme.

We are inviting local views and feedback on the options being developed to help inform the ongoing development and assessment of the dualling proposals for this project.

Transport Scotland officials and design consultants will be on hand to discuss the options and answer any questions.

Details of the public exhibitions are as follows:

Tuesday 2 February, 12 noon – 8pm

Carrbridge Village Hall, Main Street, Carrbridge, PH23 3BB

Wednesday 3 February, 12 noon – 8pm

Aviemore Community Centre, Muirton, Aviemore, PH22 1SF
