## A9 Dualling Programme Pitlochry to Killiecrankie Project

This community engagement event is intended to continue the consultation on the side road options and build on feedback received. We are seeking your feedback on the side road options presented to help inform the ongoing development and assessment of the scheme.

In particular we would appreciate your views on the following:

- **The different options on display**
- **How those different options may affect you**

Your comments are an important part of the assessment process and we ask that you provide written feedback.
