Dear ,

A9 Dualling Programme: Perth to Inverness Public Exhibitions Pass of Birnam to Tay Crossing - Update

We will be holding Public Exhibitions for the A9 Pass of Birnam to Tay Crossing dualling project as part of the A9 Dualling Programme. These exhibitions will give local communities and road users the opportunity to see a range of mainline and junction options for this section.

Public exhibitions will take place in the Main Hall at Birnam Arts Institute, Station Road, Dunkeld, PH8 0DS on Wednesday 27th January, 1100 - 1900 and Thursday 28th January 1100 - 1600. Plans showing the mainline and junction options will be available to view and representatives from Transport Scotland and our consultant, Jacobs, will be at the exhibitions to answer any questions.

The public exhibitions will provide an update on progress since the previous public exhibitions and seek feedback on the updated mainline and junction options to help inform the ongoing design work. At this stage, no detailed assessments have been undertaken and a preferred route has not been identified. At the exhibitions we will be seeking your views and feedback on:

- any local features or constraints that you think may be important for us to know;
- how the different options may affect you; and
- any other options that you think we should consider.

If you have any further questions, please contact our Consultant's Stakeholder Manager Sarah Morgan on 07833 936 426 or sarah.morgan@jacobs.com.

Yours faithfully

A handwritten signature in black ink, appearing to read "S. MacNaughton".

Sam MacNaughton,
Stakeholder Manager
A9 Dualling Team
