

A9 Dualling

Pass of Birnam to Tay Crossing project

Public Exhibitions

Public exhibitions are being held on 27 and 28 January 2016 to give local communities and road users the opportunity to see a range of route and junction options for the Pass of Birnam to Tay Crossing dualling project – part of the A9 Dualling Programme.

We are inviting local views and feedback on the options being developed to help inform the ongoing development and assessment of the dualling proposals for this project.

Transport Scotland officials and design consultants will be on hand to discuss the options and answer any questions.

Station Road, Dunkeld, PH8 0DS**
