Dear Neighbour,

We are writing to provide you with an update of planned works on the Forth Replacement Crossing (FRC).

One evening and overnight shift is required to carry out planing works in the area between north of Dunfermline Wynd south to opposite Whinnyhill Crescent on the southbound diverge of the A90. This involves removing the surface from the existing road.

The timing for the work will be between 21:00hrs in the evening of Thursday 18<sup>th</sup> August 2016 through to the morning of Friday 19<sup>th</sup> August 2016 at 01:00hrs.

The plant to be deployed will include a road planer, lorries, tower lights and site vans.

The foregoing planing works will be followed by surfacing works in daytime working hours over the following four days, that is, Friday 19<sup>th</sup>, Saturday 20<sup>th</sup>, Sunday 21<sup>st</sup> and Monday 22<sup>nd</sup> August inclusive. The working hours for the surfacing works will be 08:00hrs to 18:00hrs inclusive.

On occasion, the timing of our works can change without notice as there are many variables which can affect our programme.

We would like to take this opportunity to apologise in advance for any inconvenience our works may cause you and we would also to thank you for your patience and consideration to date.
