

# Appendix A12.4: Confidential Biodiversity Resources

- 1.1.1 This appendix contains the baseline information for those species whose locations need to be kept confidential. The species are:
- badger (*Meles meles*);
  - bat (roosts only);
  - beaver (*Castor fiber*);
  - otter (*Lutra lutra*);
  - freshwater pearl mussel (FWPM) (*Margaritifera margaritifera*); and
  - birds listed on Schedule 1 of the Wildlife and Countryside Act 1981 (as amended) (WCA).
- 1.1.2 The appendix is published as a confidential appendix and is not included within the published EIAR.
- 1.1.3 For further information contact Transport Scotland at 177 Bothwell Street, Glasgow, G2 7ER.
